About Vinpai

Vinpai is an ingredien'tech company specializing in the design, manufacture and marketing of algae, plants, mineral and fiber-based functional ingredients offering manufacturers natural alternatives to chemical additives. Positioned in the most promising market segments, Vinpai now supports manufacturers in the food industry, its historical market, cosmetics and nutraceuticals, thanks to cross-technology know-how, enabling them to increase the nutritional qualities of their finished products. The combination and association of ingredients and food additives allows manufacturers to accelerate their development, optimize their production costs and generate profitability. Operating from two sites, in Saint-Dolay and Rieux (Morbihan) near the port of Saint-Nazaire, Vinpai has developed more than 3,500 formulas and now has 47 employees. In 2023, the Company generated revenues of nearly €8 million, more than half of which abroad, and is established in more than 35 countries.
